**RE-SUBMISSION OF "CLAIMS" PORTION OF AMENDMENT MAILED
NOVEMBER 23, 2004**

Sir:

This is a re-submission of pages 2-5 of an Amendment that was mailed under Rule 8 on November 23, 2004 in response to the Office Action of August 23, 2004 in which claims 1-13 were rejected. The USPTO received the amendment on November 26, 2004 as evidenced by a return postcard bearing that stamped date. The previously filed amendment inadvertently did not contain the proper format for amending the claims (underlining for added matter). We only used a different color which does not show up well in black & white. The re-submitted claims are in proper format with underlining for added matter for consideration by the Examiner. It is not believed that any petition for extension of time is due or that any fee is due but if that is incorrect

then this should be considered a conditional petition therefor and the Commissioner is authorized to deduct any fee due from our deposit account number 23-0442

Respectfully submitted,

Francis J. Maguire
